

*Dear Melodia Rinaldi,*

*The directors of the Marriotts Ridge Chorus Cluster wish to thank you for your assistance during the elementary school workshop session. You were eager and willing to lead the students through rounds even though you were completely put "on the spot!" What an excellent learning opportunity. The students listened and followed your direction immediately. Thank you again for stepping up to lead the students.*

*Sincerely,*

*Yung-Soon Naill, Cynthia Rinaldi, Richard Umla, Samantha Bramm, and Scott Aucoin  
Cluster Directors*
